Ace Perry Cider . California Cider Company 6.0% ABV

This refreshing hard cider is made with a pure, local apple juice base, then pear essence is added to give it that distinctive taste; low in calories, with a unique, dry flavor.

Redd's Apple Ale. Miller Brewing Company 5.0% ABV

This is a premium apple flavored ale that delivers a refreshing, just right sweet taste.

Crispin . Fox Barrel Cider Co. 5.0% ABV

Crisp over ice. A classically styled, but untraditional hard apple cider. Fruit forward, with a fresh, crunchy appley nose and a deliciously creamy refreshingly crisp mouth feel.

Angry Orchard . Boston Beer Company 5.5% ABV

Our Traditional Dry cider is made in the style of English draft ciders. This cider is bitter-sweet and slightly spicy with a bright apple aroma. It is a leaner cider with a dry finish and without any juice added to impart extra sweetness.
